- 2.2 These Conditions apply to the Contract to the exclusion of any other terms that the Buyer seeks to impose or incorporate or which are implied by trade, custom, practice or course of dealing. These Conditions shall not apply to a written contract between Teva and the Buyer for the purchase of the Products (unless that contract refers to these Conditions) which has been signed by two directors of Teva.
- 2.3 From the Effective Date, these Conditions supersede any previous conditions of sale published by Teva.
- 2.4 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by Teva shall be subject to correction by Teva without liability.

Teva shall be entitled to terminate the Contract without liability if any of the materials supplied do not conform to the specification. The Buyer warrants that any materials or specification or instruction provided by the Buyer to Teva shall not or shall not cause Teva to infringe any

Teva reserves the right to charge the Buyer an administration fee of £50 for any amendments to an accepted Order.

4 PRICE OF THE PRODUCTS

- (a) delivery of the Products shall be deemed to have been completed, risk passing to the Buyer; and
 - (b) Teva shall store the Products until actual delivery whereupon the Buyer shall be liable for all related costs and expenses (including without limitation storage and insurance).
- 6.10 If after 5 working days after tendering delivery of the Products the Buyer has still not taken delivery of them Teva may resell the Products at the best price readily obtainable and (after deduction of all reasonable storage and selling expenses) charge the Buyer for any shortfall below the price of the Products.

2. Anti-Corruption Principles and Legislation

- (i) Third Party understands that Teva Pharmaceutical Industries Ltd. and/or its subsidiaries, including without limitation the Company (collectively “Teva” or the “Company”) are subject to certain anti-corruption and anti-bribery laws, including the U.S. Foreign Corrupt Practices Act (“FCPA”) and/or the U.K. Bribery Act 2010 (“Bribery Act”). For the avoidance of doubt, this reference to the FCPA and the Bribery Act is included to make Third Party aware of the laws that may apply to Teva in the operation of its business and does not subject Third Party to such laws or the jurisdiction of any foreign government where such laws or jurisdiction would not otherwise apply.
- (ii) Third Party understands that Teva and Third Party are required to comply with all applicable anti-corruption and anti-bribery laws of those jurisdictions where Third Party will provide goods and/or services to, or otherwise act on behalf of, Teva (herein referred to as the “Anti-Corruption Laws”).
- (iii) The Anti-Corruption Laws, together with the principles contained in the Organisation for Economic Co-Operation and Development’s Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, effective 15 February 1999, on which many international anti-corruption laws are based, are herein referred to as the “Anti-Corruption Laws and Principles.”
- (iv) The Anti-Corruption Laws and Principles prohibit the corrupt payment, offer, promise, or authorization of the payment or transfer of anything of value or any benefit, directly or indirectly, to any Government Official, or to any other person while knowing that all or some portion of the payment, thing of value, or benefit will be offered, given, promised, or passed on to a Government Official. Certain of the Anti-Corruption Laws and Principles also prohibit commercial bribery—i.e., the payment or transfer of anything of value, any benefit, or any advantage, directly or indirectly, to any private person with the intention to improperly obtain or retain business or any business advantage or to improperly influence the recipient’s behavior.

3. Knowledge and Compliance

- (i) Third Party understands that Teva Pharmaceutical Industries Ltd. and/or its subsidiaries including without limitation, the Company, are subject to the Anti-Corruption Laws and Principles.
- (ii) Third Party agrees to ensure that all of its Personnel are knowledgeable regarding the purpose and provisions of the Anti-Corruption Laws and Principles, and also agrees to take appropriate steps to ensure that such Personnel will comply with the letter and spirit of the Anti-Corruption Laws and Principles and will not take any actions which would cause either Party to violate or contravene the Anti-Corruption Laws and Principles.
- (iii) Third Party will maintain policies, procedures, and internal controls to ensure that it will be in compliance with the Anti-Corruption Laws and Principles in connection with its performance of the Contract. Such policies, procedures, and internal controls will include processes through which employees will obtain approval for expenditures that may be incurred on behalf of or result in payments to Government Officials, healthcare professionals, or customers in connection with Third Party's performance of this Agreement (e.g., gift, travel, entertainment, hospitality, conference, meeting, event, consulting, and research expenditures).

4. Status of Employees, Family Relationships

Third Party represents that none of its Personnel are Government Officials. Third Party represents that it has fully disclosed to Company any existing Close Family Member relationships between any of its Personnel and any Government Official, and Third Party agrees to notify Company of any such Close Family Member relationship that may arise during the term of the Contract.

5. No Action Contrary to Anti-Corruption Laws and Principles

Third Party represents that it has not been found by a government agency or court to have violated the FCPA or any Anti-Corruption Law of any country. Third Party represents and covenants further that nothing of value received under this Agreement has been or will be accepted or used by it for any purpose that would violate or be contrary to the Anti-Corruption Laws and Principles, nor has it or will it take any action that would violate or be contrary to Anti-Corruption Laws and Principles.

6. Method of Payments

The Parties agree that all payments made to Third Party in connection with the Contract shall be made after receipt by the Company of an invoice detailing the products or services provided during the period. All payments under the Contract shall be made by check or bank transfer for the benefit of, or to the account of, Third Party in the country where goods and/or services are delivered/provided or the country of residence/principle place of business of Third Party.

7. No Unlawful Payments

Third Party represents and covenants further that, unless permitted under the Anti-Corruption Laws and Principles, it has not paid, promised to pay, authorized a payment, given, permitted to give, or authorized the giving, and will not pay, promise to pay, authorize a payment, give, promise to give, or authorize the giving of anything of value or any benefit to any Government Official for purposes of (i) influencing any act or decision of such Government Official in his official capacity; (ii) inducing such Government Official to do or omit to do any act in violation of the lawful duty of such official; (iii) securing any improper advantage; or (iv) inducing such Government Official to use his influence to affect or influence any act or decision of the Government with respect to any activities undertaken relating to the Contract.

Third Party will keep books, accounts, and records that, in reasonable detail, accurately and fairly reflect its transactions and dispositions of funds paid under the Contract.

9. Rights of Audit

Without derogating from any other rights which the Company has to audit the records of Third Party under the Contract or any other agreement between the parties, for the term of the Contract and a period of five years thereafter, Company shall be entitled to audit all books, records, invoices, and relevant documentation of Third Party related to the Contract in order to verify compliance with the terms of this Schedule and the requirements of the Anti-Corruption Laws and Principles. Third Party will cooperate fully in any audit or investigation conducted by the Company in relation to compliance with the Contract or the Anti-Corruption Laws and Principles.

10. Obligation to Update/Report Changes

Third Party agrees that all of the representations contained herein shall remain true and accurate throughout the duration of the Contract. Third Party must inform Company promptly if it becomes aware of any potential breach of this Schedule or the Anti-Corruption Laws and Principles or any other change that would render any of the representations herein untrue or inaccurate. Failure to notify the Company under this section shall constitute a material breach of the Contract by Third Party entitling Company to terminate the Contract under Paragraph 15 of this Schedule.

11. Annual Certification

In its sole discretion, Company may require that Third Party complete an annual certification or provide some other form of assurance of compliance with this Schedule.

12. No Assignment

Notwithstanding any other provision of the Contract, Third Party covenants that it will not assign its rights to any non-Party without the prior written consent of the Company and that any services required by the Contract will be performed by Third Party and its disclosed Personnel unless otherwise agreed to in writing by the Company. Any assignment made by Third Party without Teva's prior written consent will be null and void and of no force or effect.

13. Right to Indemnification

Third Party agrees that it will indemnify the Company for any costs, including fines and penalties, incurred by the Company as a result of Third Party's breach of this Schedule or any Anti-Corruption Laws and Principles.

14. Disclosure

Notwithstanding any other provision of the Contract, Third Party agrees that the full disclosure of the existence and terms of the Contract may be made at any time and for any reason to whomsoever the Company determines has a legitimate need to know such terms including, without limitation, the Government of the United Kingdom and the Government of the United States of America.

15. Right to Terminate

Company shall have the right to suspend or terminate the Contract and any payments thereunder if it has a good faith belief that Third Party or any of its Personnel may have violated or acted contrary to any of the terms of this Schedule or the Anti-Corruption Laws and Principles. In the event of inconsistency in the requirements of United Kingdom's Anti-Corruption Law and U.S. or other potentially applicable Anti-Corruption Law, the Parties shall comply with the more strict Anti-Corruption Law.
